REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. 1.322

ATTN: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

It is requested that the attached Certificate of Correction be issued under 37 CFR 1.322 for the above-identified patent. The mistakes are apparently due to Patent Office printing errors.

- (1) Front page, second column, abstract section, line 11 of issued patent, delete "quarternary" and insert therefor -- quaternary --. The correct form appears in the specification at page 58, line 10.
- (2) Column 19, line 61 of the issued patent, delete "Coming" and insert therefor -- Corning --. The correct form appears in the specification at page 28, line 17.
- (3) Column 25, line 61 of the issued patent, delete "Cornning" and insert therefor -- Corning --. The correct form appears in the specification at page 37, line 1.

17 NOV 2004

- (4) Column 26, line 1 of the issued patent, delete "fist" and insert therefor -- first --. The correct form appears in the specification at page 37, line 8.

Correction of these mistakes is believed necessary to avoid ambiguity with respect to the patentees' disclosure and claims.

Respectfully submitted,
THE PROCTER & GAMBLE COMPANY
